

# “Heyco Newsletter”

**WHAT:** HEYbrid™ Stainless Steel/Co-molded Liquid Tight Cordgrips

**WHERE:** Marine Industry

## Features and Benefits

- Rolled, grease-free threads prevent galling and allow for multiple assemblies and disassemblies.
- HEYCo-molded gripping finger/gland technology accommodates the widest cable range over the fewest number of SKUs (with full UL approval).
- Constructed from corrosion resistant 303 stainless steel - resistant to salt water, acids, and most chemicals.
- Standard line available in NPT, PG, and Metric hubs.
- Also available in multi-hole and skinned-over multi-hole configurations.
- Ask about our Hazardous Location line of Stainless Steel Cordgrips!

**Other Applications:** Control cabinets, car washes, hot tubs, instrumentation, carpet cleaning machines, food processing equipment, underground for direct burial or submersed up to 130ft. (70 PSIG)
