January 12, 2026

**January 2026**  
**Persistent Organic Pollutants Response**

After careful evaluation of the Stockholm Convention decision regarding substances subject to Persistent Organic Pollutants Regulations (Ref. EU POP directive number (2019/1021)), Heyco Products Corp. hereby certifies that all product lines including conduit, tubing, liquid tight fittings, cordgrips\*, strain relief bushings, bushings, plugs, wire positioning devices, wire connecting, terminating, IEC connectors, and all metal stamped products produced at Heyco Products Corp. DO NOT contain any of the substances listed. This statement is true and based solely on the information provided to us by our suppliers.

Please see below for our sources on POP Regulations.

- U.S Department of State - <https://www.state.gov/key-topics-office-of-environmental-quality-and-transboundary-issues/stockholm-convention-on-persistent-organic-pollutants/>
- U.S Environmental Protection Agency - <https://www.epa.gov/international-cooperation/persistent-organic-pollutants-global-issue-global-response>
- Stockholm Convention on Persistent Organic Pollutants - <https://chm.pops.int/>

We anticipate this response satisfies your concerns regarding our products and requirements, if not, please contact us and we will do our best to provide additional information.

Thank you,

Patrick Sardoni
